Password :

Submit

Clear

Forgot your password? [Click here](#), to register [Click here](#)

2. At the Partner Portal Page, click on Online Project Registration.

# Partner Portal

## Project Registration

The Arecont Vision Project Registration Program gives our loyal reselling partners the opportunity to strengthen their position on projects with the full and active support of the Arecont Vision Sales Team.

[Online Project Registration](#)  
[Create New Registration](#)

## Channel Support

Channel Support streamlines our Advance Replacement, Repair Request, and 30 Day Loaner program for our customers.

Use your dashboard to request Arecont Vision cameras for real world testing and demonstration scenarios, secure collateral for your Advance Replacement, or pay for an existing Repair Request.

Dashboard Options

Dashboard buttons → In the top right hand corner.

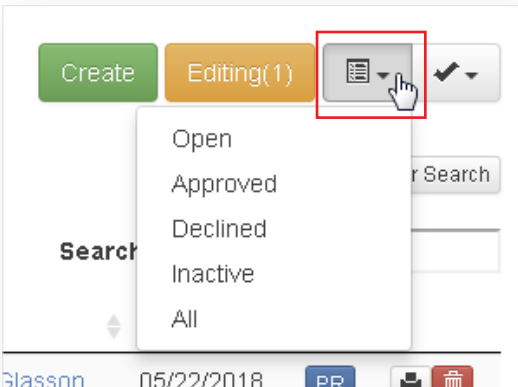

Create button = Create a registration.

Editing button = Shows all registrations that are being edited.

View lists = Filtered Dashboard Lists.

- Open = All open registrations (in review).
- Approved = All approved registrations.
- Declines = All declined registrations.
- Inactive = All inactive registrations (no longer valid: past expiration date or manually deactivated).
- All = All registrations under your username.

Check = Report a Problem.

General FAQ

Project Registration:

A price-protected quote for the single distributor and single integrator listed on the registration. There are two Requirements to maintain Project Registration Status:

- There should be a partnership for the duration of the project between Arecont Vision, Distributor, Integrator, and End User. *(Example: Arecont Vision should be introduced to the End User and the registering entity should continue to promote Arecont Vision for the duration of the registered project.)*
- Arecont Vision must be specified in the project by the time of registration.

Special Pricing:

A special price for multiple distributors or integrators. No individual price protection is given.

- Project Registrations may be retroactively turned into a Special Pricing registration.

Addendum:

An addition of Arecont Vision products to your Project Registration or Special Pricing.

Reprice Request:

A request for additional discounts on a Project Registration or Special Pricing registration.

- Additional discounts are not guaranteed, and the same pricing may be given for a reprice. Requestors must include a reason for reprice.

Extension Request:

A request to extend the expiration date for your pricing.

Expiration Date:

The date the Project Registration or Special Pricing expires.

PR Pricing:

The discounted Pricing received through the Online Project Registration System.

Purchase Date:

The expected date of the first purchase of Arecont Vision products.

Project Registration Number (PR#):

The project registration number must be included on every purchase order or credit request. The PR# includes:

- The Date
- The Actual Project Registration ID
- The Regional Sales Leader's initials
- The Distributor
- The Project Name

*(Example: 171110-65401-DC-Example Distributor-Project Name)*

## View Page Options

If you created the registration, click on the drop down on the top right corner of the view page.

- History = All of the addendums or reprices in a registration.
- Duplicate Project = Create a copy of the registration version you are currently viewing.
- Extension Request = Request an Extension for your project.
  - Insert the requested extension date and a full explanation for the extension request, then submit.
  - You will receive an email upon submission, and an email when the request is approved or denied.
- Request Reprice = Click to instantly request a reprice.
- Create Addendum = Add parts to your registration.

A screenshot of the 'Extension Request' form. The form has a title bar 'Extension Request' with a close button (X). It contains two required fields: 'Extension Date: \*' with a text input box, and 'Reason For Extension: \*' with a larger text area. The text area contains the placeholder text 'Please provide a full explanation for the extension of this project.' At the bottom right of the form are two buttons: 'Close' and 'Submit Request'.

## Status Emails

You should receive an email for the following actions:

1. Your Registration/Special Pricing/Addendum/Reprice Has Been Submitted.
2. Your Registration/Special Pricing/Addendum/Reprice has been Approved/Denied.
3. If applicable, Distributor Pricing will be sent to you via your Regional Sales Manager, Rep Firm, or Regional Sales Specialist with the title of "Registration Pricing", or via the automated system with the title "Distributor Registration Pricing".
4. Other emails you may receive:
  1. Your Extension Request has been submitted.
  2. Your Extension Request has been approved/denied.

**Note: If you did not receive a confirmation email from [projectregistration@arecontvision.com](mailto:projectregistration@arecontvision.com) in timely manner, please check your spam folder. You may have to whitelist our email address.**

Questions

For “how to” questions, please contact your Inside Sales Manager, Rep Firm, Regional Sales Specialist, or Regional Sales Manager. For technical issues, please use the “Report a Problem” tool to let us know of any issues.
