Arecont Vision[®] Names Joe Byron as New Regional Sales Manager for New England and Eastern Canada

Los Angeles, CA – [Arecont Vision[®]](#), the industry leader in [IP-based megapixel camera technology](#), has appointed Joe Byron as the Regional Sales Manager for the New England and Eastern Canada region. Byron is tasked with the continued growth of sales activity with systems integrators, distributors, and partners for customer projects across a region composed of multiple U.S. states and Canadian provinces.

“With over twenty years in network video security, audiovisual technology, consumer electronics, and broadcast video, Joe brings outstanding experience and knowledge in understanding and exceeding customer needs,” said Carole Dougan, Vice President of North American Sales, Arecont Vision. “We believe that he will continue to grow our sales success across New England and Eastern Canada while fully addressing end user expectations.”

“This is a great opportunity to grow Arecont Vision sales while continuing to address customer needs with the best megapixel cameras in the industry,” said Byron. “I look forward to bringing Arecont Vision to more projects across New England and Eastern Canada.”

Bryon brings a record of sales success earned at Network Video Technologies, Panasonic, and Sony across a wide range of high technology products.

ABOUT ARECONT VISION

Arecont Vision is the leading manufacturer of high-performance megapixel IP cameras. Arecont Vision products are made in the USA. MegaVideo® and SurroundVideo® massively parallel image processing architectures are now in their 5th generation and represent a drastic departure from traditional analog and network camera designs. All-in-one products such as the MegaDome®, MegaView®, MegaBall®, and MicroDome® series provide installer friendly solutions. True Wide Dynamic Range (WDR) and remote focus/remote zoom enhance camera utility. Compact JPEG and H.264 series cameras address cost sensitive applications.
