*From l-r: Tim Palmquist, VP Americas, Milestone Systems; Carole Dougan, VP, North America, Arecont Vision; Jason Schimpf, Director, Partner Relations, Arecont Vision; Scott Schafer, EVP of Sales, Marketing, Service and Quality, Arecont Vision; Ethan Maxon, Director of Sales, Western USA, Arecont Vision; Kenneth Petersen, CSO/CMO, Milestone Systems*

Los Angeles, CA (March 16, 2015) – Arecont Vision<sup>®</sup> today announced the company was recognized by Milestone Systems as 2014 Camera Manufacturer Partner of the Year.

Milestone Systems is a leading global developer of open platform software for managing IP network-based video surveillance. The 10<sup>th</sup> annual Milestone Integration Platform Symposium (MIPS) event was held on February 24-25 in Las Vegas, NV. It was the largest-ever MIPS

gathering, with close to 500 attendees and 50 exhibiting companies in the Technology Showcase, including Arecont Vision.

Tim Palmquist, VP Americas at Milestone Systems, presented the award. “This year’s Milestone Camera Manufacturer Partner of the Year goes to Arecont Vision<sup>®</sup>, a company with a longstanding history of reliability and cooperation with Milestone, in sync with our values and supporting innovation’s progress,” said Mr. Palmquist. “One of the key strengths of this partner relationship is rooted in Arecont Vision’s proactive outreach to do business with Milestone in order to win together.”

Scott Schafer, Executive Vice President, Arecont Vision<sup>®</sup> said, “We are proud of the accomplishments and progress we have made together with Milestone Systems. We are deeply appreciative of this recognition.” This is the second time that Arecont Vision<sup>®</sup> has been recognized with this award in four years.

“For Arecont Vision<sup>®</sup>, partnering with Milestone Systems continues to be a winning strategy,” commented Mr. Schafer. “Our alignment in terms of the highest quality joint solutions for IP video surveillance, and our dedication to delivering added value to end users makes us a powerful team.” Mr. Schafer also participated on an expert industry panel at this year’s event in recognition of Arecont Vision’s position as a leading industry influencer.

## **ABOUT ARECONT VISION<sup>®</sup>**

Arecont Vision<sup>®</sup> is the leading manufacturer of high-performance megapixel IP cameras. Arecont Vision<sup>®</sup> products are made in the USA and feature low-cost massively parallel image processing architectures MegaVideo<sup>®</sup> and SurroundVideo<sup>®</sup> that represent a drastic departure from traditional analog and network camera designs. All-in-one products such as the MegaDome<sup>®</sup>, MegaView<sup>®</sup>, MegaBall<sup>®</sup>, MicroDome<sup>®</sup> and D4F/D4S/D4SO series provide installer friendly solutions. STELLAR<sup>™</sup> (**S**patio **T**emporal **L**ow **L**ight **A**Rchitecture) technology offers dramatically increased low light performance, while True WDR (Wide Dynamic Range) and remote focus/remote zoom capabilities each enhance camera utility. Compact JPEG and H.264 series of cameras address cost sensitive applications. These innovative technologies enable Arecont Vision<sup>®</sup> to deliver multi-megapixel digital video at IP VGA camera price points.
