

Arecont Vision® Receives Four 2017 New Product of the Year Awards

Los Angeles, CA (September 19, 2017) – [Arecont Vision®](#), the industry leader in [IP-based megapixel camera technology](#), has been recognized with four New Product of the Year Awards for megapixel cameras. The awards recognize the best solutions and products available across the security industry, and are sponsored by *Security Today* magazine.

Arecont Vision received more awards than any other vendor in the 2017 competition, and was the sole winner in each category in which the company's products were entered. Over 100 industry products were in the running across multiple award categories.

“We are extremely pleased to have so many of our newest megapixel camera series be recognized for the industry-leading designs and technology that will further benefit our customers around the world,” said Jeff Whitney, Vice President, Marketing, Arecont Vision. “Arecont Vision changed the surveillance industry as an early pioneer in megapixel and multi-sensor cameras, and we maintain our leadership today. Our cameras continue to bring advanced features and outstanding image quality, while delivering unmatched cybersecurity protection, product upgradability, proven reliability, and high customer satisfaction.”

Arecont Vision cameras awarded in the 2017 competition are:

- Cameras – IP Multi-Sensor Panoramic:

SurroundVideo® G5 Mini Panoramic Camera (180° and 360° models)

- Cameras – IP Multi-Sensor Megapixel:

SurroundVideo® Omni G3 Omnidirectional/Adjustable View Camera

- Video Surveillance Cameras – HD:

MegaVideo® 4K Compact Ultra-High-Resolution Camera

- Video Surveillance Cameras – IP:

MicroBullet® Compact Megapixel Bullet Camera with Integrated IR

“The New Product of the Year contest gives us a terrific sampling of security solutions, but what is more amazing each year is the technical savvy that comes along with new products,” said Ralph C. Jensen, Editor in Chief of *Security Today* magazine. “Our juried judges must be able to understand technology and innovation to stay on top of the security solutions that will blend into the platforms in use today, and what will be expected of them tomorrow. Our New Product of the Year contest allows forward-thinking manufacturers to share their vision of security.”

Security Today will present Arecont Vision and the other industry winners with their awards at the ASIS International 2017 conference, to be held Monday, September 25 through Thursday, September 28 at the Kay Bailey Hutchison Convention, Dallas, Texas.

Visit booth 3221 during the ASIS expo on Tuesday, September 26 through Thursday, September 28, 2017 to see the newest Arecont Vision award winners and our comprehensive range of US designed and built camera families.

To pre-schedule a meeting with the Arecont Vision team, please call +1.818.937.0700, or email our request to sales@arecontvision.com.
